tkanina posiada właściwości antybakteryjne i antygrzybicze
fabric with anti-fungal and anti-bacterial properties

tkanina przeznaczona na ekrany do projektorów
fabric suitable for projection screens

sztwna tkanina, minimalna średnica rurki nawojowej 25mm
stiff fabric, minimum tube diameter is 25mm

tkanina pokryta teflonem
teflon coated fabric

tkanina wodoodporna
waterproof fabric

delikatna tkanina, przy większych wymiarach może falować
fragile fabric, it can drape easily at high areas

tkanina szeroka i stabilna, świetnie nadająca się do rolet wielkogabarytowych
width and stable fabric, dedicated to XL roller blinds
